WHAT OUR CLIENTS ARE SAYING ABOUT US

"Street Level Studio's advertising campaign was very successful for us. We saw a +220% increase in new memberships over last year's average. The most growth in new membership was online, with nearly double the number of new members joining online compared with last year."

Nora MacDonald
National Active and Retired
Federal Employee Association
(NARFE)

"Street Level Studio worked with IPRA to truly understand our members, their motivations, and their personalities. The SLS team is not only incredibly creative, but the thought they invested into every word of the IPRA recruitment campaign was obvious."

Suzi Wirtz
Illinois Park & Recreation
Association and Foundation
(IPRA)

"Our thanks to everyone for working to deliver this amazing creative on a tight schedule!"

Jonathan Adams
Water Quality Association (WQA)

"I know when I reach out for help with a project, the Street Level Studio team is always able to deliver. They continue to bring us new ideas that keep us on the leading edge of advertising."
