

# Follow up with your supervisor...

- Get free **one-month access** for your supervisor and lead SLPs. Ask your supervisor to email [groups@theinformedslp.com](mailto:groups@theinformedslp.com) and say, "Our group is thinking about purchasing TISLP for our SLPs. Could we have [number of lead SLPs] one-month free trials to try it out?" We'll happily send over some free passes.
- Get your team on board. Tell your co-workers that The Informed SLP offers 2 free hours of **continuing education**. All they need to do is create a free account at [www.theinformedslp.com/freeceus](http://www.theinformedslp.com/freeceus).
- Show your team that not only do we keep you up-to-date with the latest research, but provide you tools as well! Use the "clinical resources" and "open-access materials" filters to find assessment and treatment materials created by TISLP and scientists.
