BEAUFORT MEMORIAL FOUNDATION

Our Mission

The Beaufort Memorial Foundation is the fundraising arm of Beaufort Memorial Hospital. Our mission is to provide extra resources to: Better enable Beaufort Memorial Hospital to serve the current and future health needs of the community and serve as a catalyst for fostering health and wellness throughout the community.

Community Driven

Community volunteers serve as Foundation trustees and are dedicated to seeing that Beaufort, SC and surrounding areas have the finest health care possible. They work in concert with the hospital board and administration to help address funding needs.

Stewardship

The foundation provides stewardship for all contributions made to support the hospital.

This assures that:

- Donor restrictions and program priorities are honored.
- Current gifts are safely managed and distributed to the hospital.
- Endowed funds are managed to help ensure the strongest possible future for Beaufort Memorial.

Your gifts make a direct impact on the quality of local healthcare. Because of donors like you, we are able to contribute funding for essential services, equipment and programs at the hospital.
